Mr. Richard Carter
Vice Chairman
Pima Co. Local Emergency Planning Committee
130 W. Congress, Room 237
Tucson, AZ 85701

Dear Mr. Carter:

Recently, I was given the task of coordinating and restructuring the Pima County Integrated Health Care System. This is a substantial undertaking, and it will require a major commitment of my time. Unfortunately, this will preclude my staying on as a member of the Pima County LEPC. Therefore, I will resign my membership and the Chairmanship of the LEPC.

As I leave the Committee, and step down from the Chairmanship, I am pleased to hand over the guidance of the group to you as Vice-Chairman. I have enjoyed working with you these many years. The group is in good hands with you directing it. I am confident that the Committee will continue to insure that our community is a safer place.

Again, thank you and good luck.

Sincerely,

Richard Carmona, M.D.
Chief Executive Officer
